

From Scotland's Young People - Newsletter/Circular Blurb

The Scottish Youth Parliament would like your views to inform their 2021-26 Manifesto '[From Scotland's Young People](#)'.

As the democratically elected voice of Scotland's young people, the issues SYP focus and take action on come directly from the concerns raised by 12-25 years olds across the country.

In this survey, you people will be asked for your opinion on a range of statements, covering topics such climate change, when the school day should start and how the Scottish Government should protect your futures in the aftermath of COVID-19.

By sharing your views in this consultation, you will directly shape SYPs work over the next five years as well as help them inform Scotland's political parties on what changes young people would like to see in the next Scottish Parliamentary term.

The survey is open to all young people aged 12-25, who live in Scotland, and will close on 19th September 2020.

This manifesto is SYP's biggest consultation - make sure voice is included!

Please share this survey on social media using the hashtag #FromScotlandsYoungPeople. Follow [@OfficialSYP](#) on Twitter for updates as the manifesto progresses. To find out more about SYP and their work, visit www.syp.org.uk.

[Fill out the survey](#) and share your views.
